

SANCTUARY GUIDE

10 REASONS IT'S GOOD TO BE HOME

1 DISCOVER YOURSELF IN NATURE

Is that a pileated woodpecker in the branches? Explore the wild beauty of the preserved, untouched land and our 10-acre Central Park.

2 LIVE AMONG FRIENDS

Wide open spaces, where you can grow close to your neighbors. You'll find residents and families of all ages and stages of life just down the street.

3 ENJOY A NIGHT OUT

Looking for weekend plans? The choices are exciting and endless. Enjoy historic sites in St. Cloud, inviting cafes in Lake Nona, and vibrant nightlife in Downtown Orlando.

FIND YOUR CENTER

Center Lake Ranch is your sanctuary. Here, you'll live among the beauty of natural Florida with lush surroundings, intertwined in nearly 1,000 acres of preserved uplands and lowlands, with beautiful ponds, canals, walking trails, and green spaces.

In the growing city of St. Cloud, Center Lake Ranch is an oasis of calm from the noise and hubbub of fast-paced life, yet conveniently close to all your essential destinations.

4 TAKE TIME FOR FUN

Go for a swim. Toss a ball. Bring your furry friends. There's always a place to play, from charming pocket parks to relaxing neighborhood pools to frisky dog parks.

5 CORNER SHOPS, JUST AROUND THE CORNER

Make a quick run to the store to get what you need, when you need it. Convenient shops will be within walking distance of your home, without ever leaving the community.

6 REST ASSURED

Peace of mind is a precious comfort. Here at Center Lake Ranch, we have a planned dedicated fire and EMT station on site.

7 WAKE UP YOUR SENSES

Breathe in the smell of pines. Hear the breeze rustling the oak leaves. Feel peace as you watch the sunset glisten from the many pond overlooks.

8 GREAT SCHOOLS

What's even better than a top-notch school? One that's nearby. Our planned K-8 school will be conveniently located within the community.

9 HOME IS YOUR HAPPY PLACE

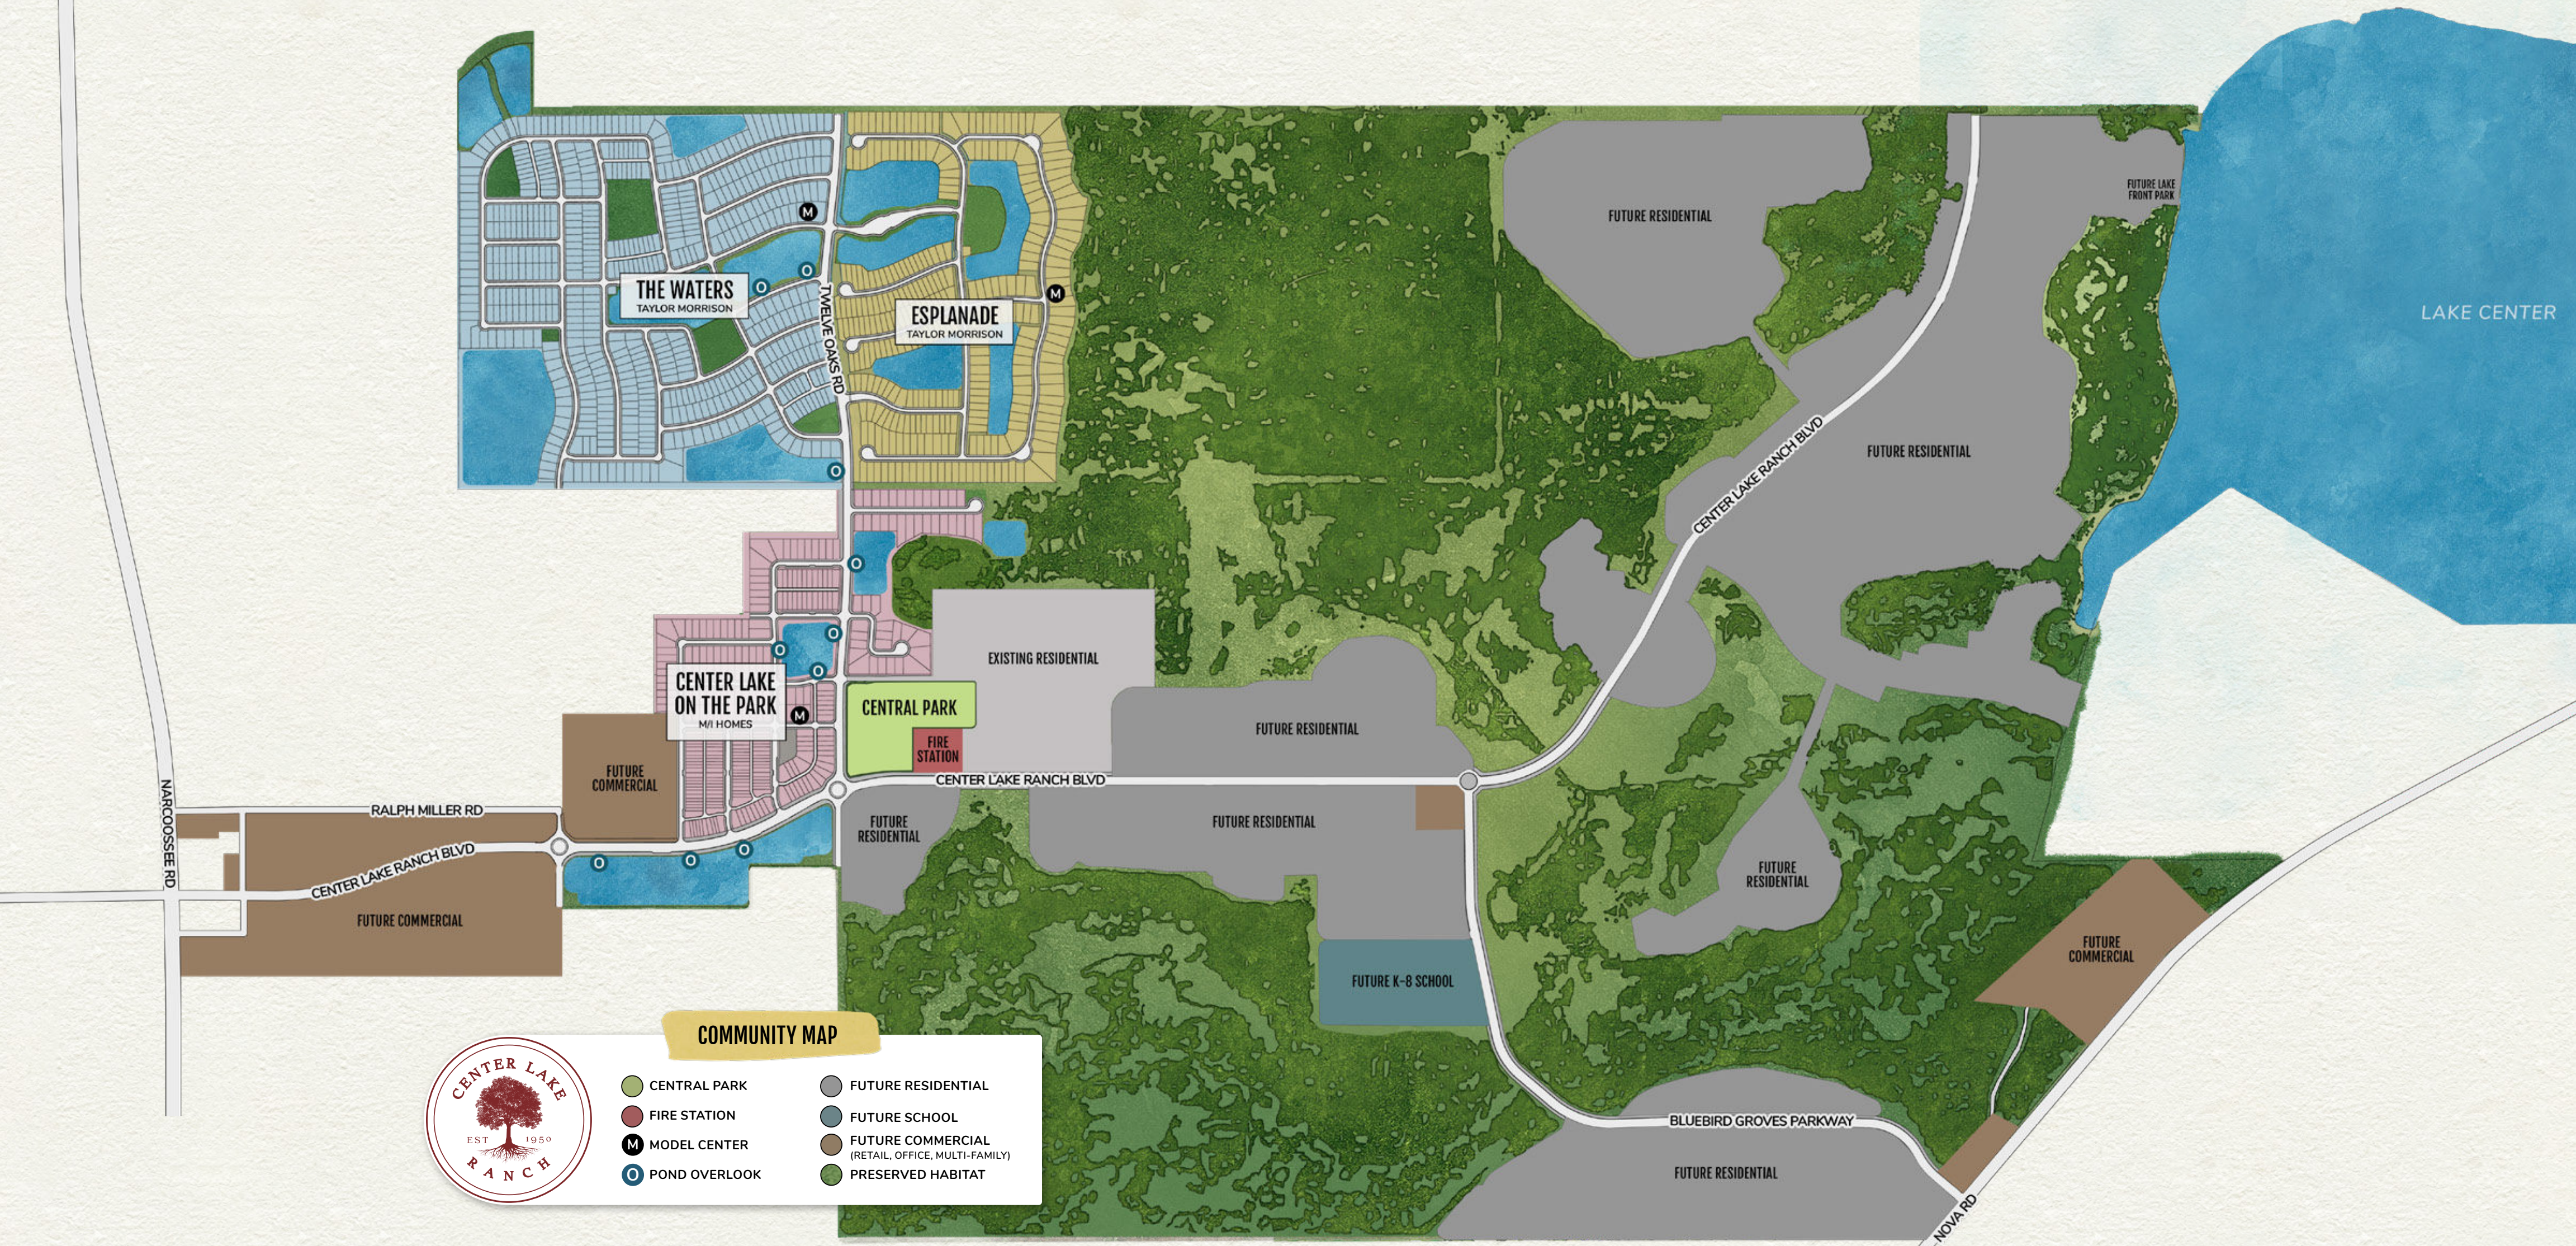

Unwind and recharge in a world of relaxed and peaceful quiet, just outside your front door.

10 GET YOUR HEARTRATE UP

Whether a hard run or a gentle stroll, you'll find your fit on miles of trails through native plants and shaded woods.
